ALL-COUNTY INFORMATION NOTICE 1-61-84

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT:

REFERENCE:

All County Letter 84-35 directed counties to make their annual submittal of the Refugee Assistance by Nationality Report (Form RS 238) by July 15, 1984.

This is to remind counties of that reporting requirement and to clarify one of the column definitions contained in the reporting instructions.

In the heading in column one, the term "country of origin" refers to the country from which the refugee holds citizenship, regardless of the country from which the refugee arrived. Do not report the country from which the refugee departed just prior to arriving in the United States, if the refugee holds citizenship in a different country.

If counties anticipate any problems in submitting the full report by July 15, or have any questions regarding the report, please telephone Fernando E. Russell at the above telephone number.

Sincerely,

A handwritten signature in cursive script, reading "Robert T. Sertich", is written above the typed name.
